

TOP 10

REASONS TO CHOOSE AMTI

- **Small Class Size** - Only 30 students are admitted per session for the Certified Nurse Assistant Program allowing for personal, one on one guidance. Caregiver classes are even smaller.
- **Experienced Instructors** - Instructor's not only have real life experience, but most currently hold positions within the field. Your classroom experience is both real practical, as well as real life.
- **Satisfied Alumni** - Almost half of our new students come from referrals from past graduates. Your peace of mind is assured in making the AMTI choice.
- **Student Focused** - Your AMTI experience is about you. For the Nurse Assistant graduate...take your Arizona State Board of Nursing exam at AMTI within two weeks after you graduate. For the Assisted Living Manager graduate...repeat the course for free in preparation for your State Board exam.
- **It's Included!** - At AMTI, Nursing Assistant students will not be charged extra for textbooks, lab materials, CPR, Serum TB Testing, fingerprinting, uniform top, B/P Cuff, stethoscope and even a gait belt! For the Assisted Living student, you can include CPR, First Aid and serum TB testing as part of your course experience.
- **Skill Center** - Skill development happens in AMTI's "real life" skills lab enhancing your classroom experience. You will not just see a picture of a Hoyer® lift but will use a Hoyer® lift to transfer and position your classmate from the bed to the shower.
- **Convenient Class Schedules** - Day, evening and weekend classes are available allowing you to comfortably achieve your career goals in the midst of your busy schedule.
- **Financial Assistance** - Our staff will help you explore options available to you. In addition to these, AMTI provides "student friendly" approaches to help you budget your tuition.
- **Career Search Assistance** - Help is available to assist you in finding the right career opportunity. Students can receive assistance in resume preparation, interview skills and access to the AMTI Employment Center, where jobs are posted weekly.
- **Career Progression** - Continue to grow in your career with advanced offerings from AMTI. Certified Nursing Assistants can elevate to a Restorative Certified Nursing Assistant after 6 months as a CNA. Caregivers can progress to an Assisted Living Manager and eventually own their own Care Home or Center with training and assistance from AMTI. Your future has no limits!
